

EXPERIENCE ICELAND'S REMOTE AND BREATHTAKING FJORDS, HARBORS, AND INLANDS AT AN EXCEPTIONAL TIME OF YEAR

RVR20-26 • 12 October 2026 - 18 October 2026

Northeast Iceland Explorer , Aurora Borealis, Hike & Sail - Incl. Bus back up

Northern and eastern Iceland are characterized by small villages, dramatic coastlines, narrow fjords, waterfalls, geothermal areas, volcanoes, and mountains. We are in the heart of nature here, and the scenery is breathtaking. This destination offers outstanding outdoor experiences all year round, such as trail hiking along the rugged highlands.
