If you haven't had a Cafecito (Cuban Coffee), in Little Havana, you haven't experienced Miami. STOP # 26 on our City Loop takes you to the heart of Little Havana, the Miami neighborhood where Cuban immigrants migrated to in the early 1960's. Our guided walking tour will give you a history of the Cuban people's settlement of this area and how it has become the cultural and political center of the Cuban people living in Miami.

Walking Tour Departure Times:
