Customer Reviews

Avventure Bellissime are proud to boast a high level of excellent reviews on TripAdvisor and on our website. Below are just a few of these.

' Italy + 25th Anniversary + Avventure Bellissime = Best vacation EVER! '

In Rome, Francesca, and Luca were amazing. The small groups with each tour allowed them to personalize the tours while still showing the key points, and sharing the exceptional wealth of information they have.

In Florence, Fabio was an excellent driver. Antonella was a super guide, showing us the "secrets", helping us understand why the architecture of the city is the way it is

In Venice, Christina was also a top notch guide, especially on the Ghosts and Legends walk. Overall, the trip was supremely well organised. Transfers were made efficiently from the trains, and there was no confusion about where or when to meet.

Matt and Paula from Ontario, Canada

' Beautiful! You must experience Italy like this!'

We customized a semi-private tour because we needed to be in Milan for 2 days of our trip. I had never booked through a tour company before because we like to explore on our own, but we had a fantastic experience.

We felt like we were impeccably taken care of at every step. The only glitch was in Venice where the pick up location for the water taxi was not exactly where the drop off was. In the big scheme of things, it was not a big deal.

We highly recommend Florence and Cinque Terre. We will be back and will definitely book through Avventure Bellissime again!
