8-Day Essence Trip from Venice - Customer Reviews

Avventure Bellissime are proud to boast a high level of excellent reviews on TripAdvisor and on our website. Below are just a few of these.

' Italy Tour '

We did Venice-Florence-Rome tour and it went perfectly. Individual tours ranged from 4 - 10 people with well informed guides. All the tours were "skip the lines" tours for easy entrance. Drivers & assistants all arrived on time and were friendly & professional. Train service was business class. Upgraded our hotels and they were all excellent, great locations, nice rooms, and friendly-professional staff. Excellent tour. Thanks.

Valued customer, traveled in spring 2017

From the moment I started my enquiries, the staff have gone out of their way to accomodate us and give us a great experience at a great price. And we haven't been disappointed.

All the transfers and tours have worked like clockwork. The guides have been very knowledgeable and have made our tours memorable.

And each hotel has been great and in a very good position in relation to all the sights we wanted to visit.

I would definitely use the company again and recommend it to friends and the Flight Centre we normally use as the company is not well known in Australia.
