## Customer Reviews

Avventure Bellissime are proud to boast a high level of excellent reviews on TripAdvisor and on our website. Below are just a few of these.

Avventure Bellissime did a fabulous job of making our trip feel 'independent' yet supported with the private car transfer, trains, hotels, and professional guides on the small group tours.

They were always willing to answer questions prior to our trip and even helped us book a half day wine tour the day we were flying out! The hotels were great and centrally located...we were able to walk to every tour within 5-15 minutes (even in Rome).

Our tour guides were outstanding. All were art historians or archeologists and were so knowledgeable. Their English was flawless and they were funny, engaging and amazingly patient. For anyone interested in traveling to Italy but do not want to be part of a traditional tour group this is the company to work with.

We traveled with our best friends so had the best of both worlds (coordinated transfers, excellent hotels and pre-planned small group tours) yet we also had lots of free time to do other things on our own schedule. I highly recommend Avventure Bellissime!"

**Mary S from CA**

"We wanted to tell you how much we enjoyed our 12 day tour with you in late Sept. and early Oct. of last year. This was our third trip to Italy and by far the best experience. Relaxed, great accommodations, professional tour guides, and great overall travel arrangements. We would not hesitate to use your services again, and would wish other countries offered your type of travel service. We also appreciated the personalized services by your people, and handling of our faux pas with tact."
