

Southern African Magic (18SAM14A) – Tour Dossier

Introduction

The Southern African Magic offers an adventure holiday taking in some of southern Africa's most popular and memorable highlights. Tried and tested over many years the tour offers very good value for money with new and exciting experiences each day, connecting you to the grass roots of Africa. Following your arrival in the City of Gold, (Johannesburg), the journey includes breath-taking scenery views and wildlife of Kruger, Matobo and Chobe National Parks, to the feeling of Zambezi river spray thundering out of the Batoka Gorge at Victoria Falls, to the quiet tranquillity of the Okavango Delta. This two-week adventure covers a range of landscapes, a variety of game-parks and a breadth of experiences to introduce you to Africa's depth and variety, showing you the 'magic' of southern Africa – an area rich in culture, beauty and background. This is one of our most popular open age Small Group tours, with departures all year round. It is an excellent introduction to this wonderful continent.

Intended Itinerary

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only.

The description below follows the itinerary with the mandatory Safari Pass for the tour.

Duration: 14 Days

Countries visited: South Africa, Zimbabwe and Botswana

Please note that whilst every effort has been made to select accommodation of a consistent standard throughout the tour there are areas where this is difficult to achieve. We have not designed the tour with international standard hotels in mind but instead have sourced privately owned properties more suited to the environment and to Acacia's philosophy of helping local benefit from tourism. For that reason, accommodation, hotel facilities and service levels may vary from area to area between and within countries. To a degree this reflects local infrastructure, tourism development, and of the communities whose areas we are visiting. At times you may find lapses in service frustrating, but we ask your patience and that you consider it part of the African experience. Naturally your tour leader will do all he can to rectify any problems that may arise as the tour proceeds and although we ask that you accept that not everything on tour is under his or Acacia's control.

To allow for the highlights and experiences packed into this tour, some long distances need to be covered. To minimise the impact travelling inevitably will have on a tour of this nature, we have allocated some days as longer driving days than others. Our intention is to cover the necessary ground as quickly and safely as possible with minimal delays. Border crossings, in particular at Beitbridge (day 3) can be tedious, as are the number of police road checks currently in place in Zimbabwe. We ask that you remain patient throughout. Africa is a wonderful continent to explore but there are occasions when it helps to remember that we are guests here and that when travelling sometimes things will take longer than we would like or expect at home.

Day 1:

Johannesburg – Hoedspruit

Distance travelled: +/- 460 Km

Approx driving time: 10-11 Hours

Departing from South Africa's largest city, Johannesburg, we drive across the scenic Mpumalanga province and enjoy the spectacular mountain vistas. We stop at the Blyde River Canyon to view the odd looking Three Rondavels rock formations perched at the edge of the Blyde River Canyon,

and enjoy the crisp air and picturesque views. The Blyde River Canyon is revered as an unusual sight owing to the fact that it is a 'wet' canyon, making it different from the wind-carved dry canyons found in desert regions elsewhere. After lunch we continue our journey making our way to accommodations, set in attractive gardens situated an hour or so drive from Kruger National Park. After dinner relax and enjoy the first night on tour.

Accommodation: Nsele Lodge or similar - Twin share room with en-suite facilities

Meals included: Dinner

WIFI: No

Optional Activities: Nil

Day 2:

Hoedspruit – Kruger National Park

Approx driving time: Full day with game drives

Waking early, we board 4x4 game viewing vehicles for an intense but rewarding day in Kruger National Park. Your professional guide will point out items of interest as we go, and we hope will help the day to be a wonderful opportunity to learn something of the varied and world-renowned Kruger. The park is home to over 505 species of birds and 148 species of mammals as well as good numbers of reptiles and abundant flora. The park has a good network of roads allowing relatively easy access – essential given its size – but has clear rules about encroaching on the animals' space ensuring conservation is given a high priority, which perhaps helps explain why Kruger is held in such high regard amongst travellers worldwide. We game drive morning and afternoon with a break during the middle of the day to enjoy the peace of the rest camp and wait out the hottest part of the day (when wildlife is usually less active). If you have questions about the wildlife you see, or about the park itself, please ask your resident guide who will be happy to explain the ins and outs of animal behaviour and other interesting sights in Kruger. Eventually we leave the park to return to our accommodation for dinner and overnight.

Accommodation: Nsele Lodge - Twin share room with en-suite facilities

Meals included: Breakfast, Dinner

WIFI: No

Optional Activities: Nil

Day 3:

Hoedspruit – Polokwane

Distance travelled: +/- 320 Km

Approx driving time: 7-8 Hours

After breakfast we leave the Kruger area and travel across undulating country-side to the northern town of Polokwane. The journey takes us over some beautiful scenic mountain passes and through flourishing citrus plantations nestled along the valleys of the Limpopo Province. Previously known as the Northern Province, this is a land of myths and legends and is also highly rated as a southern Africa Eco-tourism destination. Arriving in Polokwane, we enter the nearby Game Reserve and set out on foot to explore (we recommend sensible footwear). There are over 21 species of mammals, in this reserve

including white rhino and some 200 species of birds. It is a very different game viewing experience to Kruger equally rewarding. Being on foot may allow us closer views of some of the gentler animals of the reserve. We eventually make our way to our accommodations nearby.

Accommodation: Boma in the bush or similar - Twin share cabins with en-suite facilities

Meals included: Breakfast, Dinner

WIFI: No

Optional Activities: Nil

Day 4:

Polokwane – Bulawayo, Zimbabwe

Distance travelled: +/- 600 Km

Approx driving time: 10 Hours

This morning we make our way north crossing out of South Africa and into Zimbabwe. Immigration formalities at the busy Beitbridge border may be lengthy as this is South Africa's busiest land border, but once completed we continue to Bulawayo, a pleasant city with broad tree lined avenues and wide-open spaces. The area around the city offers much in the way of historical, geological and natural interest. Several national parks are nearby including the well-known Matobo (sometimes written Matopos) which we shall visit. Our accommodation for the evening is in a quiet garden setting on the outskirts of town.

Accommodation: Travellers Guest House or similar - Twin share room with en-suite facilities

Meals included: Breakfast & Dinner

WIFI: Yes

Day 5:

Bulawayo – Matobo National Park

Approx driving time: Game Drives & Wilderness Walk - half day

We rise early to meet our guides for our visit and game drive into the Matobo National Park. Situated a short distance outside of Bulawayo, the wind-sculptured Matopos Hills are the site of numerous Bushman paintings and the area holds a special cultural and spiritual significance to the indigenous people here. The reserve has the largest concentration of Black and White Rhino in Africa and if conditions are suitable, guides will lead us on foot to some of the more concealed places for a close view of these magnificent animals.

The park also has dense populations of the elusive leopard and black eagle and we shall hope to glimpse either (or both) at some point during the day. The Matobo hills are also the location of the grave of Cecil John Rhodes, the 19th century colonialist. The grave is not visited as part of the

Southern African Magic (18SAM14A) – Tour Dossier

half day park visit but can be seen on the full day upgrade (arranged locally).

Accommodation: Travellers Guest House or similar - Twin share room with en-suite facilities

Meals included: Breakfast, Lunch, Dinner

WIFI: Yes

Optional Activities: Upgrade to full day tour including historical tour and village tour for US\$45

Day 6:

Bulawayo – Victoria Falls, Zimbabwe

Distance travelled: +/- 450 Km

Approx driving time: 8 Hours

Departing Bulawayo, we continue north to Victoria Falls. This can be a frustrating day 'on the road' because there is little of interest en route and at time of print (Nov 2017) the road has multiple police checks. Your patience while your tour leader deals with the formalities each time is much appreciated.

We usually arrive at Victoria Falls by early afternoon. This is a relatively small town built along the southern banks of the Zambezi River and is Zimbabwe's primary tourist centre. The Victoria Falls themselves are only a short walk and the town has a variety of markets, shops, cafes within easy distance. Your tour leader will arrange a briefing to explain the numerous optional excursions typically available here and you will have some free time to wander around. Later we visit the Victoria Falls National Park itself to witness one of Africa's most enduring sights (NB: depending on time available, we may do this the following morning). Please take care when wandering along the pathways inside the reserve - the Falls are almost 100 metres deep and the drops are sheer!

We end our day joining a peaceful sunset cruise on the Zambezi River. Soak up the African ambience with drink in hand as you cruise slowly up and down and look out for elephant, buffalo, buck, hippo and birdlife along the shallow muddy banks of one of Africa's great rivers. We return to our accommodation for overnight or to try some of the local nightlife.

Accommodation: Sprayview Hotel or similar - Twin share room with en-suite facilities

Meals included: Breakfast, Lunch & Dinner

WIFI: Yes

Optional Activities (prices are guide only): Bungee Jumping US\$160, Full Day Abseil US\$180, Mosi Oa Tunya National Park Game Walk US\$110, Chief Mukumi Village Tour US\$50, Gorge Swing US\$95, Zambezi Jet Boat & Cable Car from US\$120, Half Day Canoe US\$110, Zambezi Sunset Cruise US\$65, Full Day White-water Rafting US\$175,

Helicopter/Microlight Flights from US\$185, Half Day Fishing US\$145, Bridge Tour US\$65

Day 7:

Victoria Falls, Zimbabwe

Today is spent at leisure giving you the opportunity to explore and Victoria Falls. The Zambezi boasts one of the world's highest rated rivers for white river rafting with its many challenging rapids. Alternative options include canoeing, scenic flights, bungee or (more relaxed) afternoon tea at the colonial styled Victoria Falls Hotel.

Accommodation: Sprayview Hotel or similar - Twin share room with en-suite facilities

Meals included: Breakfast

WIFI: Yes

Optional Activities: See list on day 6

Day 8:

Victoria Falls, Zimbabwe – Chobe National Park, Botswana

Distance travelled: +/- 90 Km

Approx driving time: 2 Hours

From Victoria Falls we travel the short distance to the Botswana border and cross into the small town of Kasane, and on to our lodge. This afternoon we head out onto a game drive and boat cruise in the Chobe National Park. Chobe is widely known for its populations of elephant, but the park also contains lion, leopard, hyena, giraffe and a host of antelope and birdlife. The Chobe floodplains and Chobe River provide a sensitive eco system which attracts much of the wildlife of the region especially in the dry season when it is not uncommon to see between 500 and 2000 elephants on the floodplains at one time. One highlight of Chobe is the combination of wildlife, birdlife and reptiles seen along the banks of the Chobe River. We take the afternoon cruise for a unique perspective of river-side wildlife. This evening we relax and overnight at the lodge.

Accommodation: Thebe Safari Lodge or similar - Twin share room with en-suite facilities

Meals included: Breakfast, Dinner

WIFI: Yes

Optional Activities: Nil

Day 9:

Chobe National Park – Gweta

Distance travelled: +/- 450 Km

Approx driving time: 6.5 Hours

Following breakfast, we depart for Gweta. Driving south we may be lucky to encounter elephant or buffalo alongside (or on) the road, often strays to the migratory herds which

Southern African Magic (18SAM14A) – Tour Dossier

roam freely throughout the area in search of pasture and water. We stop in the small settlement of Nata for lunch or snack before continuing to Gweta where you have the opportunity to explore the Salt Pans in an optional 4x4 safari. Alternatively try the (also optional) Baobab Forest tour. The night is spent at the lodge.

Accommodation: Gweta Lodge or similar - *Twin share chalet with en-suite facilities*

Meals included: *Breakfast, Dinner*

WIFI: *No*

Optional Activities: *Nxai Pans Sundowner 4x4 Trip US\$60, Baobab Forest Sundowners US\$35*

Day 10:

Gweta - Maun

Distance travelled: +/- 250 Km

Approx driving time: 4 Hours

After an early breakfast we join a guided walk through a local Tswana village to learn something of the life of the community, from schools and doctors to trading and traditions. We then depart and head west to Maun, the gateway to the Okavango Delta. Maun has experienced rapid growth in recent years and is a bustling provincial centre. Options here include scenic flights and horse riding, but our priority is to prepare for our excursion into the Okavango Delta. Our accommodation in Maun is simple guesthouse/lodge/hotel. The afternoon is at leisure to relax with a cool beverage and pack for the Delta excursion for the following day.

Accommodation: Delta Rain's Sitatunga Camp or similar - *Twin share chalet with en-suite facilities*

Meals included: *Breakfast, Dinner*

WIFI: *No*

Optional Activities: *Nil*

Day 11:

Maun –Okavango Delta

Distance travelled: +/- 60 Km

Approximate driving time: 2 Hours

Heading out early after breakfast we begin our excursion into the Okavango Delta. The first part of the journey is by 4x4 over rough sandy paths to the 'mokoro' station, where the river level reaches. Here we are introduced to the local Tswana 'polers', our guides for the excursion and transfer our luggage and equipment to the mokoros (dug-out canoes). We travel by these shallow canoes amongst giant lily pads, tall grasses and labyrinthine channels to our camp on the edge of the Okavango. From our camp we venture out on guided walk in search of some of the prolific birdlife and larger mammals that inhabit the reserve. The whole area is a natural wetland spreading over some 1,600,000ha

of northern Botswana offering a perfect habitat for the wildlife that roams here freely. The Okavango River rises in Angola (far to the north) and flows south dividing repeatedly to form an intricate floodplain of channels and swamps which then spreads out into a broad flat inland delta – the only one of its kind in the world. We enjoy the afternoon wilderness experience and for many people the feeling of being at camp overnight is an unforgettable experience.

Accommodation: *Elephant Camp – Twin share pre-erected tents with en-suite facilities - basic-style bucket shower & toilet*

Meals included: *Breakfast, Lunch, Dinner*

WIFI: *No*

Optional Activities: *Nil*

Day 12:

Okavango Delta – Maun

Distance Travelled +/- 60 Km

Approximate driving time: 2 Hours

This morning we explore the surrounds on a nature walk where you have the thrilling experience of being out in the natural wilderness. This is a great way to enjoy the sights, sounds and smells of the wilderness and enjoy nature as it wakes for the day. After the bush we enjoy breakfast and then pack up again onto our mokoros, leaving nothing behind but footprints. Returning to our 4x4 and bidding our polers farewell, we return to Maun. The afternoon offers the opportunity to join the guide for a trip into town for a little shopping. Another popular activity here is an optional scenic flight over the 'Delta' for a bird's eye view of the wilderness you have just explored by mokoro and on foot. Prices depend on number of people interested but seeing the vastness of the Okavango from the air gives a further appreciation of the beauty of this part of Africa. We return to our lodge for dinner and overnight.

Accommodation: Delta Rain's Sitatunga Camp or similar - *Twin share chalet with en-suite facilities*

Meals included: *Breakfast, Lunch, Dinner*

WIFI: *No*

Optional Activities: *Okavango Delta scenic flight per 5-seater plane – (45 min flight time) from US\$650*

Day 13:

Maun – Khama Rhino Sanctuary

Distance travelled: +/- 700 Km

Approx driving time: 11-12 Hours

Another early rise for our long journey skirting the greater Kalahari, where we may glimpse in the distance the vast salt pans of central Botswana to the Khama Rhino Sanctuary which we normally reach by late afternoon. In

Southern African Magic (18SAM14A) – Tour Dossier

1989 a group of local people wished to convert the Serowe Pan, previously a hunting area, into a conservation region for the rhino that inhabited the area. The 'Pan' was chosen because of its rhino-friendly habitat (and for its proximity to the Botswana Defence Force base for 24-hour protection against poachers). Khama is a prime habitat for white rhino, zebra, wildebeest and giraffe and with its community based wildlife project, allows the local people to benefit from tourism. We take a game drive to catch sight of some of the rhino with guides often pointing up interesting facts about the local fauna and flora. Our last night on safari is spent at a nearby hotel for dinner and overnight.

Accommodation: *Kwa nokeng or similar - Twin share room with en-suite facilities*
Meals included: *Breakfast, Lunch, Dinner*
WiFi: *Yes*
Optional Activities: *Nil*

Day 14:

Martins Drift – Johannesburg, South Africa

Distance travelled: +/- 400 Km

Approx driving time: 6 Hours

Our last morning sees us joining the main route along Martin's Drift border post. Crossing the mighty Limpopo River into South Africa, we take in the scenic views and notice changes to vegetation, infrastructure and populated areas. We arrive in Johannesburg where our tour ends normally by mid to late afternoon.

WHAT TO BRING

Please try to keep your luggage to a minimum, bearing in mind that most airlines impose a 20kg luggage limit. A large soft holdall or backpack and a smaller day pack is ideal. On this tour you will need a mixture of lightweight cool clothing for the day and warm clothing (i.e. fleece, long trousers and hat) for mornings and evenings as it can be cool on game drives and cold in winter. Pack a light rain jacket. It is advisable to bring mosquito spray throughout the year. A money belt/pouch that can be worn comfortably beneath your clothing is recommended. Please avoid bringing unnecessary valuables. A power bank is useful to charge electronic devices.

VACCINATIONS / HEALTH

The table below indicates the vaccinations suggested for travel on this tour but **should be treated as a guide only**. You should seek professional medical advice from your GP or clinic at least six weeks prior to departure. Please note some places visited on this tour fall in a malaria area. We recommend you speak to your doctor or travel clinic about appropriate malaria prophylactic tablets.

At least one month prior to travel seek confirmation from embassies or a visa specialist, that these requirements are still current. For UK citizens the Foreign & Commonwealth Office (FCO) offers free up-to-date travel info: www.fco.gov.uk For other nationalities a number of travel advice websites are listed on the Acacia website.

Travelling with Children: Please note that South Africa has recently changed their Immigration Act and as of June 1, 2015 all children under the age of 18 will need to travel with an unabridged birth certificate to gain entry into South Africa. An unabridged birth certificate will reflect the particulars of the parents of the child. Please contact Acacia for further information.

TOURISM LEVY

As from the 1 June 2017 a mandatory tourism levy (tax) of US\$ 30 per person will be payable by all visitors to Botswana, except citizens of the Southern African Development Community (SADC). The levy is payable at port of entry and must be completed before immigration formalities are begun. A receipt will be issued for the payment which must be shown to immigration officials. This notice affects ALL passengers visiting Botswana (except those travelling on South African or SADC community passports). We understand that in due course payment will be accepted by debit / credit card and eventually may be able to be completed online, but our advice initially is that it is payable in cash only (USD clean un-returned post 2006 currency notes recommended).

Money Matters

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for lunches, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$10-15 per day. Most spending will be in South Africa Rand, Botswana Pula and US Dollars for Zimbabwe (for incidental expenses along the way, optional activities, most additional accommodation before/after the trip) but it's a good idea to bring along some US\$ cash for any international airport taxes or visas.

Spending money is best carried as cash in either South Africa Rand cash or US dollars (US Dollars in clean un-returned post 2006 edition notes), Sterling or Euro which can be exchanged into Rand on arrival and as you travel. Your guide will give general guidance about spending during the tour.

Currencies are as follows: South Africa – Rand, Botswana – Pula; Zimbabwe - United States Dollars.

ATM machines are found throughout South Africa and Botswana although may be unreliable (so we ask that you please do not rely on them). Cash is often not available in Zimbabwe.

Southern African Magic (18SAM14A) – Tour Dossier

Credit cards can be used to pay for larger optional activities although there may be an additional fee for their use.

TIPPING

As in many areas where tourism is an important contributor to the economy it has become customary to offer a small gratuity to local staff at the end of the tour if service has been of a high standard. Naturally this always remains at your discretion.

OPTIONAL ACTIVITIES

To give you maximum flexibility on tour we offer a number of optional activities on the tour. To help budget, approximate prices are listed below (in US\$ unless otherwise stated. All prices subject to change.

We can recommend a respected, specialist travel insurance provider for this tour. Please refer to: <http://acacia-africa.com/travel-info> for more details.

In the UK the Foreign & Commonwealth Office (www.fco.gov.uk) issues free up to date travel advice for all countries visited on tour. Most other governments offer a similar service to citizens. We recommend you review this information before you book your tour. Naturally we welcome any questions you may have about security and safety on tour.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the lodges we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people, and will greatly enhance your experience in Africa.
